Atila Paltelkey is the coordinator of the trail maintenance committee. Last year, while clearing and maintaining, the group measured each trail distance. With this project and the assistance from Andy Stone, a trail map is in the work to show the trail and its distance. It will also show the GPS coordinates of shipwrecks in the area. When completed, the maps will be available at the clubhouse and campground offices.

NOTE: This group is always seeking volunteers to help maintain these beautiful trails. They meet Thursday mornings-9:00 am at the clubhouse.

Security Patrol: Harvey Wilson has retired from supervising this group, so we are currently seeking someone to chair this group.
