

Hello PIHA Community:

Our July Board meeting was outstanding with 23 members in attendance! Concerns dealt with dogs on the beaches, requests for 'private property' signs around the beaches, ID cards and pool updates.

There has been a lot of confusion regarding 'immediate family' definition. The addition of daughter or son in-law to the immediate family definition was addressed along with other extended family relationships. The Board has tasked the Rules Committee to discuss the issues and present a proposal to the Board. If you would like to add your input to this subject, please contact Rob Crook, Rules Committee Board Liaison, at 989-464-3949 or [rvcrook72@gmail.com](mailto:rvcrook72@gmail.com).

As you are aware, the rental of boat slips at Grand Lake Beach is being changed beginning in the 2024 season. A temporary committee was created last month and is tasked with presenting a proposal to the Board regarding the usage of the boat slips at GLB. This committee had their first meeting on July 18th and has a follow up scheduled for July 27th. Watch our website, Facebook page or your email for updates. Thank you to the following individuals who are volunteering their time for this committee: Dave & Lisa Santi, Vicki Schulte, Sarah Melching, Rob Crook, Brad Mathis and Dave Campo.

Recently, the clubhouse pool was closed due to inclement weather which caused some complaints about not receiving prior notice. Please be aware of the following policy:

If thunderstorm warnings are in our area and the staff sees lightning or hears thunder, they will close the pool. The clubhouse will remain open. The Grand Lake Beach attendant will close the facility and leave the premises. The pool will remain closed for 30 minutes after the last lighting strike or thunder is observed/heard. The staff does not have access to post to Facebook or any other social media so in the event of inclement weather, please call the clubhouse for an update. An attempt will be made to send out a social media heads up that inclement weather is possible in our area.

Pool committee update: As previously stated, a pool committee has been developed and divided into Design, Finance and Construction. We are still in the 'design' stage. Dave and Lisa Larkin are leading this endeavor. Below, you will find a link to a survey that you can fill out if you would like to provide your input to the pool committee. Please submit your completed survey via email ([MemberServices@presqueisleharbor.org](mailto:MemberServices@presqueisleharbor.org)), snail mail (PO Box 60 Presque Isle, MI 49777) or drop it off at the Clubhouse. The Pool Committee has reserved the PIHA North Bay Beach House for Wednesday, August 9th at 7pm as an opportunity for members to address questions, concerns, and suggestions regarding this pool project.

The Social Activities Committee has added a new event: Junior Triathlon scheduled for August 5th. Check our Facebook or web page for further information. The Variety Show scheduled for Aug 26th has been cancelled.

August is just around the corner and which leads us into the final weeks of summer. Try to get out and enjoy our awesome area when you can!

Colleen Campo  
*President, PIHA Board of Directors*
